

# ***Health and Safety at Work Act ...do you comply? ...are you legal? ..what should you do?***

***...and do any of these statements apply to you?***

***"I feel responsible"***

It's time to sort out our health and safety

***"Make us legal"***

Catch up and comply with the law

The minimum that is required

***"We can't afford a scary event"***

Factory inspector or environmental health officer has just called

Personal injury claim lands on your desk

*Turn the page to find out how Standards Plus can help your business*

**"Getting our health and safety right, in an environment that can invite accidents, has really improved our business."**

John Doyle,  
Managing Director, Runcorn Ski Centre.

adding productivity to business standards

# Three solutions to the Health and Safety puzzle:

## 1 Health and Safety Document Pack **£199**

- **Effective** - a low cost solution to health and safety for your business.
- **Simple** - just fill in the blank spaces.
- **Easy to follow** templates for you to complete.
- **Includes** instructions and guidelines.

The Standards Plus Health and Safety Document Pack includes:

- Health and Safety policy
- Safety Plan
- Accident and emergency
- Risk assessment guides
- Risk assessment report
- Detailed work instruction
- Consultation with staff
- Training arrangements
- Defining responsibilities

## 2 Health and Safety Training **£999**

- **Quick** - a fast way to improve skill.
- **Convenient** - delivered at your premises, (or nearby, to suit yourselves).
- **Value** - gain maximum knowledge in the shortest time.
- **Fixed price** - you know your commitment.
- **Efficient** - training for up to 15 staff.

We explain how to set up a robust health and safety system that protects both your employees and your business.

This training course covers all the subjects mentioned in the Document Pack.

## 3 Health and Safety Contractor **£POA**

- **Easy** - we do the job for you.  
*All of the above without the hassle!*

**"We instigated this health and safety project to comply with legislation and to protect ourselves from the claims culture."**  
Malcolm Kirkham,  
Joint Managing Director,  
Braythorn Limited.
